The top pictures of my hair and face is 6 wks apart. I have had trouble with leg circulation for the last 20 yrs. The picture on the left is before using the BEMER. The middle is after 3 weeks and the one on the right is 6 wks. My wife had me on 5 nutritional supplements and 5 essential oils. After 3 weeks she took me off of 2 supplements and reduced another by half. She took me off of 3 essential oils.

All of this was possible through a 29% increase in blood flow. This allows cells to receive oxygen and nutrients while eliminating waste. The BEMER introductory 22mn video [www.tinyurl.com/pmybasic](http://www.tinyurl.com/pmybasic)

I am looking for distributors to represent the BEMER to beauty parlors, country clubs, etc.

The BEMER increases energy and endurance. It reduces injury recovery time and sore muscles for 18,000 athletes. 5mn video testimonial [www.tinyurl.com/pmtsports](http://www.tinyurl.com/pmtsports) and endorsement brochure at [www.tinyurl.com/pmtendorse](http://www.tinyurl.com/pmtendorse) 15 min technology video [www.tinyurl.com/pmtdrklopp](http://www.tinyurl.com/pmtdrklopp)
